

Red Wines 750 ml.

Rapsani Epilegmenos (reserve) Tsantali V.Q.P.R.D. Rapsani

A red wine produced from the three indigenous Greek grape varieties Xonomavro, Krassato and Stavroto from selected vineyards. It's aged for one year in French oak barrel and then for at least two years in bottles. A wine of a ruby colour, an impressive bouquet dominated by the aromas of fig, vanilla, spices and blackcurrant and a well-structured full bodied generous taste.

Étima Gerovassiliou Regional wine of Epanomi

From Syrah, Merlot and Grenache Rouge grape varieties. Flavor of strawberry and pepper. A well-structured and well-balanced tasty wine.

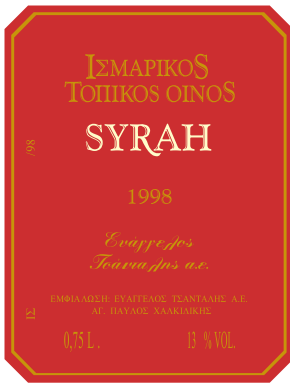

Merlot A. Tsantalis Halkidiki Regional wine

A dry red wine issued from Merlot grape variety. Deep purple colour and an interesting bouquet dominated by the aromas of small red fruits in a spicy background, soft and delicate taste.

Syrah Carras Sithonias Regional wine

A dry wine from Syrah grape variety.

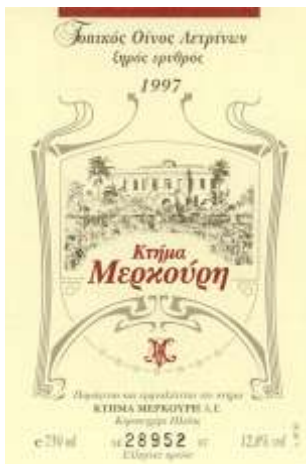

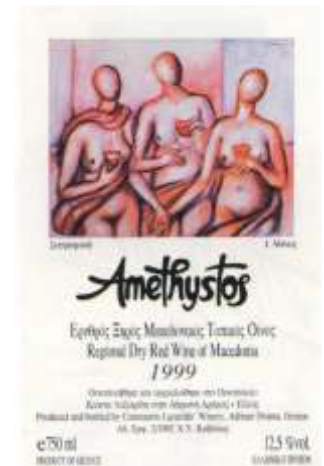

Syrah Α. Tsantalis
Ismarikos Regional wine

A dry wine produced from Syrah grape variety cultivated in the vineyard of Maronia (Thrace).
A wine of a deep red colour, an interesting bouquet emerging aromas of cassis and spices, Rich flavour and a long after taste.

Ámethystos Lazaridi
Iakedonikos Regional wine

From Cabernet Sauvignon, Cabernet Franc, Merlot and Limnio grape varieties.
Purple colour, sweet-smelling with velvety taste.

Êtima Merkouri
Regional wine of Letrina

A dry wine from Refosco and Mavrodaphne grape varieties.
Purple colour and a strong taste. Its aromas play between notes of spices and of red fruits.

Katogi Averoff
Table wine

From Cabernet Sauvignon and Agiorgitiko grape varieties.
Deep red with aromas from fruits and spices.

Chateau Julia Merlot

Regional wine Adrianis

From the famous Merlot variety, yielding the best results within the biological cultivation, comes this overflowing wine with the composite taste of small berries in the mouth. Its purple evening dress and the wild cherry and mulberry aromas are always at the center - stage and are applauded by sense.

Étima Papaioannou

V.Q.P.R.D. Nemea

From Agiorgitiko grape variety.
Bright, gentle, pleasant with a velvety after taste.

Private Collection Antonopoulos

Peloponnesian Regional wine

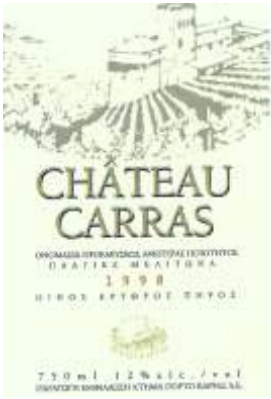

From Agiorgitiko and Cabernet Sauvignon grape varieties. Aromas of red fruits and a light tannic taste.

Ktima Gaias

V.Q.P.R.D. Nemea

From Agiorgitiko grape variety.

Chateau Carras

V.Q.P.R.D. Melitona

From Limnio, Cabernet Franc & Cabernet Sauvignon grape varieties.

Éapnias Hatzimichali

Regional wine of Opountia Locris

From Cabernet Sauvignon grape variety. Deep red balanced with smoked character.

İelanas Oenos

Table wine

From Agiorgitiko grape variety.

Cabernet Sauvignon Ktima Hatzimichali

Regional wine of Opountia Locris

It is created based on the variety Cabernet Sauvignon.

It ages in small, french oak barrels and obtains a complex bouquet and a full, well balanced taste.
